EQUINE | Veterinarian Certificate

I _____ do hereby certify that I am a graduate Veterinarian holding a current license to practice veterinary medicine in the State/Province of _____ and that I have examined this day, the following animal:

NAME:	BREED:	AGE:	SEX:	COLOUR:	MARKINGS

at _____ location of animal : _____

OWNER OF HORSE: _____

Horses being examined should be observed at rest and in motion. The examination is to be comprised of a general physical and visual inspection. Observations are to be made at a walk and trot as the horse is either lunged or ridden. The horse's heart and lungs are to be auscultated and the eyes examined in subdued light with ophthalmoscope.

	YES	NO
Pulse and respiration normal?	<input type="checkbox"/>	<input type="checkbox"/>
