

BFL CANADA PROUD TO BE ON THE GLOBE AND MAIL'S FOURTH-ANNUAL RANKING OF CANADA'S TOP GROWING COMPANIES

MONTREAL, September 27, 2022—BFL CANADA is pleased to be part of the 2022 Report on Business ranking of Canada's Top Growing Companies.

Canada's Top Growing Companies ranks Canadian companies on three-year revenue growth. BFL CANADA earned its spot with three-year growth of 84%.

"We are proud of our roots and what we have accomplished. A firm of our size still generating double-digit growth outside of acquisitions speaks for itself. BFL CANADA just happens to be Canadian and very successful. Thanks to the commitment of our employees. This team effort has certainly worked and is one of the many reasons BFL CANADA has remained so successful throughout the past 35 years." said Barry F Lorenzetti, President, Founder and CEO.

Canada's Top Growing Companies is an editorial ranking that was launched in 2019. It aims to celebrate the boldest entrepreneurial achievement by identifying and bringing the accomplishments of innovative businesses in Canada to the forefront. In order to qualify for these voluntary programs, companies had to complete an in-depth application process and fulfill requirements. In total, 430 companies earned a spot on this year's ranking.

The full list of 2022 winners, along with editorial coverage, is published in the October issue of Report on Business magazine. The list is out now and online [here](#).

"Canada's Top Growing Companies recognizes the tremendous ambition and innovation of entrepreneurs in Canada," says Dawn Calleja, Editor of Report on Business magazine. "The next generation of Canadian businesses can draw inspiration from this ranking."

"In an uncertain world, the success stories of the companies marked in this year's Report on Business magazine's list of Top Growing Companies are a beacon of optimism," says Phillip Crawley, Publisher and CEO of The Globe and Mail. "The Globe and Mail congratulates them on their achievements."
