

CONSTRUCTION PROJECT

CONSTRUCTION PROJECT IN THE OFFING? BFL CANADA IS YOUR IDEAL PARTNER!

One of your main responsibilities is to protect the interests of your municipality and its citizens. That's why you need an insurance broker who can respond to your specific needs and implement tailored solutions.

Dynamic and renowned for their expertise, our brokers guarantee you a customized service that includes:

- Insurance for your construction projects from start to finish
- Contractors Insurance
- Issuance of all required documents within 24 hours.

We offer you a complete range of products that are perfectly suited to your activities:

- Builders Risk (Course of Construction)
- Liability Insurance, including Wrap Up
- Contractor's Pollution Liability
- Surety Bonds.

With access to all insurance markets, we can offer you a very competitive premium. By trusting **BFL CANADA**, your interests will be well protected.
