

Security Industry Insurance Program

BFL CANADA offers an insurance program specifically designed to protect security industry businesses (including failure to perform coverage).

THIS LIABILITY INSURANCE PROGRAM IS TAILORED FOR BUSINESSES SUCH AS:

- ✓ Security agencies
- ✓ Private investigation agencies
- ✓ Voicemail services
- ✓ Protection and security systems manufacturers and installers
- ✓ Locksmith services
- ✓ Monitoring stations

Coverage and Advantages:

- Property damage, including loss of use
- Personal injury, including death
- Failure to perform, including:
 - Failure to respond, or late response, to an alarm
 - Failure to provide a protection service, as guaranteed or offered by the insured
 - Failure to provide voicemail service, as guaranteed or offered by the insured
- Completed products and projects
- Errors and omissions
- Personal injury, including:
 - wrongful arrest, detention or imprisonment, defamation, and discrimination
- Non-Owned Automobile Liability
- Protection of assets under your care, custody or control
- Employees as additional insureds
- Employee benefit program administrators' liability
- Intentional injury suffered to protect individuals or assets
- All Risk Tenant's Legal Liability
- Replacement of third party lost keys (\$25,000 limit)
- Replacement of accidentally discharged fire-extinguishing substance
- Special rate applicable to CANASA members
- Liability limits reaching 10 million
- Certificate of insurance for the PSB
- Program exclusively placed with Lloyd's
- Issuance of proof of insurance

Additionally, BFL CANADA issues all types of surety bonds, that your business requires:

- Bid and performance bonds
- Régie du bâtiment du Québec (Ministry of Finance, contractors and owners-builders' professional qualifications)
- Office de la protection des consommateurs (Ministry of Finance)

BFL CANADA makes a difference
